Playing squash from the age of ten I achieved top 5 National rankings in under 14,16 and 19 age groups. I turned pro in 1995 and for the past five years I have been Suffolk Mens Champion and Suffolk's highest ever English and world ranked player.

As head Professional Coach at Ipswich Sports Club I organise exhibition tournaments and captain Ipswich's National Squash Super League team

INCOME 2003/2004 SEASON

I will compete in the following 78 national club and league matches none of which count towards my world ranking position and are played only to finance my career

40 England NSL, National League, Surrey, Middlesex and Sussex

10 French League ~ 14 Belgium League ~ 6 Dutch League ~ 8 German League

4 TARGETS 2003/2004 SEASON

Starting in July 2003 I aim to compete in 12 world ranking and 10 National ranking events all of which involve traveling and considerable expense totaling more than £11,000.

To enable me to reduce the number of non qualifying matches and focus on PSA and BSPA matches I require financial assistance which I am seeking through sponsorship.

If you are in any way interested in supporting your Suffolk squash champion in his quest to reach the top then your support however large £10,000, or small £100 would be greatly received.
